## System Requirements:

This is the list of minimum system requirements (OS and RAM) for compatibility with the game, but you can use it as a guide to determine your PC's limitations. Remember to install the latest system updates for your operating system. Please note, the list is not intended to be an exhaustive list, but rather a guide to common issues to be aware of. Your system will vary depending on what you are using and what software you choose to use. Please also note, that this is a Work In Progress (WIP) and should not be considered the final
